

## nano tech 2020 – Joint Stand of the Bavarian Cluster Nanotechnology & 2<sup>nd</sup> German-Japanese Nanotechnology Commercialization Workshop

**Würzburg / Tokyo.** - The [nano tech exhibition](#) in Tokyo/ Japan is the world's largest international nanotechnology exhibition and conference and will take place from January 29th - 31st, 2020 at the International Exhibition Center Tokyo Big Sight. Approx. 50.000 international visitors are expected. Main topics of the exhibition are high quality, functional and smart materials, fabrication and processing technologies, evaluation and measurement and the areas of application.

The [Cluster Nanotechnology](#) is participating again with a joint stand. Co-exhibitors are the following members and cluster partners:

Visit the joint booth of the Cluster Nanotechnology at [Tokyo Big Sight, West Hall 1, Stand 1W-V33](#)  
Date & Time: Jan. 29th (Wed.) – Jan. 31st (Fri.), 2020, 10:00 h -17:00 h

With the [nano week 2020](#), on the first day of nanotech 2020 exhibition, the Cluster Nanotechnology and the [Center for Research and Development Strategy, Japan Science and Technology Agency \(JST\)](#) are jointly organizing the

### 2<sup>nd</sup> German-Japanese Nanotechnology Commercialization Workshop

<b>Date &amp; Time</b>	January 29 (Wed.) 13:00-17:00
<b>Venue</b>	Tokyo Big Sight, Room 609, 6F, Conference Tower
<b>Organized by</b>	The Bavarian Cluster Nanotechnology in Germany & The Center for Research and Development Strategy, Japan Science and Technology Agency in Japan
<b>Admission</b>	Free
<b>Details</b>	<a href="https://www.nanotechexpo.jp/pdf/2nd_German-Japanese_WS.pdf">https://www.nanotechexpo.jp/pdf/2nd_German-Japanese_WS.pdf</a>
