

nano tech 2019 – Joint Stand of the Bavarian Cluster Nanotechnology & First German-Japanese Nanotechnology Commercialization Workshop

Würzburg / Tokyo. - In less than one week nano tech will open its doors. The nano tech exhibition in Tokyo/Japan is the world's largest international nanotechnology exhibition and conference for nanotechnologies and will take place from January 30th - February 1st, 2019 at the International Exhibition Center Tokyo Big Sight. Approx. 50.000 international visitors are expected. Main topics of the exhibition are high quality, functional and smart materials, fabrication and processing technologies, evaluation and measurement and the areas of application.

The Cluster Nanotechnology is participating again with a joint stand. Co-exhibitors are the following members and cluster partners:

SCHAEFFLER

Visit the joint booth of the Cluster Nanotechnology at Tokyo Big Sight, East Hall 5, stand 5N-07
Date & Time: Jan. 30th (Wed.) – Feb. 1st (Fri.), 2017, 10:00 h -17:00 h

On the first day of nanotech 2019 exhibition, the Cluster Nanotechnology and the Center for Research and Development Strategy, Japan Science and Technology Agency (JST) are jointly organizing the

First German-Japanese Nanotechnology Commercialization Workshop

Date & Time	January 30 (Wed.) 13:00-17:00
Venue	Tokyo Big Sight, Room 610, 6F, Conference Tower
Organized by	The Bavarian Cluster Nanotechnology in Germany Center for Research and Development Strategy, Japan Science and Technology Agency
Admission	Free
Program	https://www.nanotechexpo.jp/pdf/German-Japanese_WS_20190107v2.pdf
